

## Notice of Completion of Closure

### Hoot Lake Plant Ash Landfill

Construction closure activities at the Hoot Lake Plant landfill were completed on September 20, 2023. In accordance with §257.102(h), this notice of completion of CCR Unit closure is being posted within 30 days of completion of closure. A Notice of Intent to Initiate Closure of the Hoot Lake Plant Ash Landfill was posted on April 13, 2023.

Onsite closure activities are complete and Otter Tail is currently finalizing the Construction Documentation and Certification Report. The completed report will be submitted to the State of Minnesota for final acceptance as required by the site's state industrial solid waste permit. The report will be posted to the CCR website and added to the operating record as required by the CCR Rule following review and approval by the State of Minnesota.
